## EXECUTIVE SUMMARY

Junior Software Developer with a Diploma in Full Stack Software Development from the Code Institute. Proficient in HTML, CSS, Javascript & Python. I have 15 years experience using technology in the Music Industry. I am a valuable team-player with strong communication skills and effective problem solving abilities. I am eager to gain entry into an exciting development team where I can grow and contribute.

## EDUCATION

**Code Institute & the University of West Scotland**

March 2023 - 2024

Full Stack Software Development Diploma

**University of West London**

Sept 2017 - 2019

Licentiate Degree in Music Tuition

## WORK EXPERIENCE

### Freelance Developer

January 2022 - Present

- Designed & built custom websites for clients across various industries, showcasing versatility in design and functionality.
- Managed projects efficiently, ensuring clear communication and timely delivery.
- Optimized website performance through innovative technologies and best practices.

### Director & Music Tutor

Morriss Music Ltd. March 2019 - Present

- Built a website & blog for selling sheet music & courses that grew my credibility.
- Architected smooth booking & invoicing systems, allowing students to manage lessons & payments easily.
- Created an online ukulele course with interactive practice capabilities allowing my student base to grow.

### Electric Guitar Tutor & Studio Manager

Cheam School / October 2019 - April 2022

- Arranged and recorded live performances resulting in music scholarships for students.
- Mentored school pop and jazz bands for performances and tours.
- Wrote individual learning paths for students to achieve high exam grades resulting in extra UCAS points.
